Waste Management Reps.	WMR's provide a variety of waste management services through its WM Rep program. WMR's are available to facilitate laboratory clean-outs by documenting, characterizing, and segregating wastes in preparation for removal at a fraction of the cost of a commercial vendor. WMR's can also manage problem or non-routine wastes to reduce management and dispos costs. Education: High School Diploma. Experience: Two years job related. Special Requirements: Commensurate with job function.
